

Welcome MAMA Families,

MAMA is excited to be offering wonderful classes packed with great technique, inspiring choreography and lots of fun for all! We are looking forward to Academy performances & activities this dance school year. MAMA is a special place where students can come move, explore, have fun, meet new friends and be active!

MAMA is fully committed to bringing quality dance education to the students of the Monadnock Region. MAMA staff is looking forward to engaging students with strong, accurate technique while maintaining an atmosphere of fun and compassion in the dance studio.

We are super excited to be welcoming Miss Hannah Gawrys to our teaching staff. She is a Keene State graduate with a degree in dance and comes to us with years of dance training and performance experience! She is super excited to be working with our students! We are also excited to welcome Mr. Ty Snitko to our team. He will be teaching Self Defense & Jujitsu classes on Sundays. He comes to us with a Blackbelt in Ten Tigers Honto Jutsu, trained with Military Personnel and Police in a straightforward and very effective self defense system. A wonderful way to feel empowered.

Please take a moment to read through the Enrollment Information, there are great classes on the 2018-2019 schedule with offerings for every dancer! Students can move and have fun at MAMA! It is our wonderful MAMA families that make our school a special place for students to enjoy coming to each week for their dance lessons.

Many classes fill up quickly, your early enrollment assures a spot in class and also ensures that the classes you want to take will run, especially for the more specialized classes such as Cabaret and Acrobatics. Class sizes are limited to ensure the best instruction for each student at every level. However, all classes need a minimum number of students as well. Our Young Dancer classes fill up very quickly, don't wait until September! Advanced students, early enrollment is highly encouraged as well to ensure the advanced level classes will run.

An Enrollment Confirmation will be sent to you after Enrollment Form is received & processed. Enrollment Confirmation will have student's classes listed, tuition amounts for remaining payments, costume payment information, school year calendar, dress code and general Academy information. If for some reason you do not receive the Enrollment Confirmation please call or email us at mama@mamadancestudio.com.

MAMA is excited to be starting a New Student referral program this year. For New Students you refer to the Academy, for the year, you will receive a \$50 credit towards your May/June tuition. New Student referrals accepted until December 1st. Limit 2 per family. Make sure your New Student puts your name as the way they heard about MAMA on their Enrollment Form next to: Friend, or give us call to let us know they will be enrolling.

Have a great summer and we look forward to seeing you moving & dancing in September!
Thank you for your continued support of MAMA and our dedicated dance & movement educators.

Warmly,
Christina Ahern, Director
On behalf of all the wonderful dance educators at MAMA!

2018-2019 Dance Class Placement & Guidelines

*Student must be of correct age by **September 1**.*

Instructors will recommend when a student should proceed to the next level.

It is common for a student to remain at any given level for two to three years, sometimes more.

New students with prior dance training or students having taken time off, please call for placement: 603.924.8900

Class Requirements & Advisement

*A **Concurrent Ballet Technique** class is **required** for all level 3 and above Jazz, Lyrical, Acro & Modern Dancers as these classes all have a large amount of Ballet Technique incorporated within the movement.*

*Students taking Pointe Class must attend at least two Ballet technique classes per week, in addition to **Pointe**.*

Level 5 & 6 Ballet Students must take a second Ballet class concurrently, even if not attending Pointe.

Musical Theatre & Cabaret: A Ballet class is strongly recommended, as is Jazz & Tap, but not required.

A Ballet class is strongly recommended for all students age 7 and above as it is the foundation of many dance styles and helps develop beautiful, strong dancers with proper placement, clean line and strong technique.

As with any art form, the more we practice the faster we progress.

The advised amount of classes/hours per week are a base guideline to help each student progress at a steady pace. Students are always encouraged to attend as many classes as they want keeping in mind the balance of family, school & other activities. The Academy purposely schedules classes for dancers to attend multiple class per day/week, ages 7+

Please feel free to contact us for help with scheduling and/or level placement: 603.924.8900
